EXPERIENCE

Slippery Rock University of Pennsylvania
2021-Present

Web Developer

Complete request tickets on the university web page using the Ingeniux Content Management System.

Intense Tennis Camps
2020-Present

Front-end Web Developer

I redesigned and developed this website for a new modern look and improved functionality with HTML, CSS, and Javascript. I continue to do maintenance when needed.
Site: intensetenniscamps.com

Target
2018-Present

General Merchandise & Fulfillment Team Member

I assist guests on the salesfloor and help process online shipment and pick-up orders.
